JAJ-600R

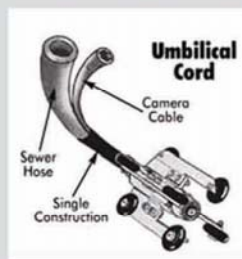

The JAJ-600R is a self-propelled all-terrain, four-wheel drive easement machine. The JAJ-600R makes easy work of cleaning remote sewer lines. Add features like Auto Level Wind, dual wheels, footage counter, and a hydraulic root cutter to make your JAJ even more valuable.

is available in three configurations to meet your needs, including narrow 36" gates.

JAJ-600TH

The JAJ-600TH is the most capable jetter machine available. The Umbilical Cord system will take you in to areas that you never thought possible. The standard auxiliary reel can add a variety of options to make this unit a more powerful cleaner. All in a unit that fits through a 36" gate.

JAJ-600TV

The JAJ-600TV lets you add our patent pending Umbilical Cord Jet TV system to any jetter. Finally, be able to see what you are cleaning. The JAJ-600TV reel can be added to both the JAJ-600R and the JAJ-600TH.
